# Aeries Mobile Portal *(access to the .NET Parent-Student Portal from mobile devices)*
RUSD's .NET Parent-Student Portal now is formatted for use with mobile devices!

Using a mobile device (phone, or tablet, etc) to access RUSD's **.NET Parent-Student Portal** now has an updated interface made specifically for use on mobile devices!
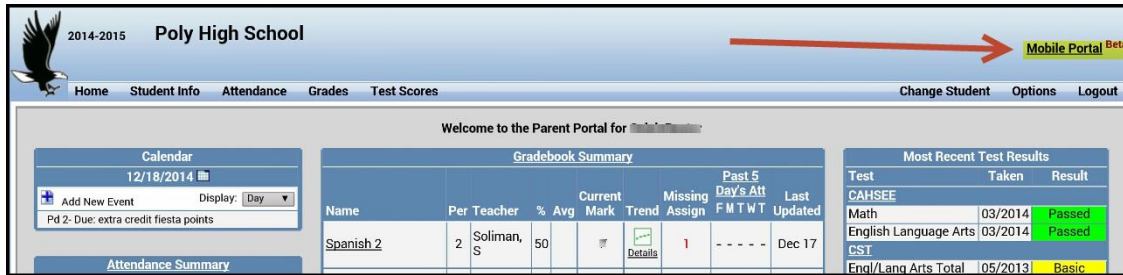

1. When using a mobile device to access the **.NET Parent-Student Portal**, you are first prompted with the login screen. Enter your credentials, and hit the **LOGIN** button:

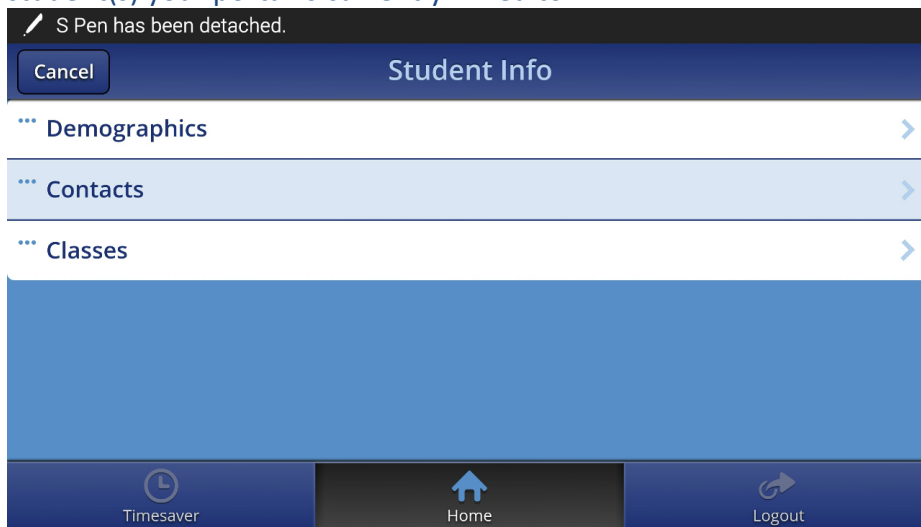

2. Once logged in, you will be brought to the **Mobile Portal Home screen**:
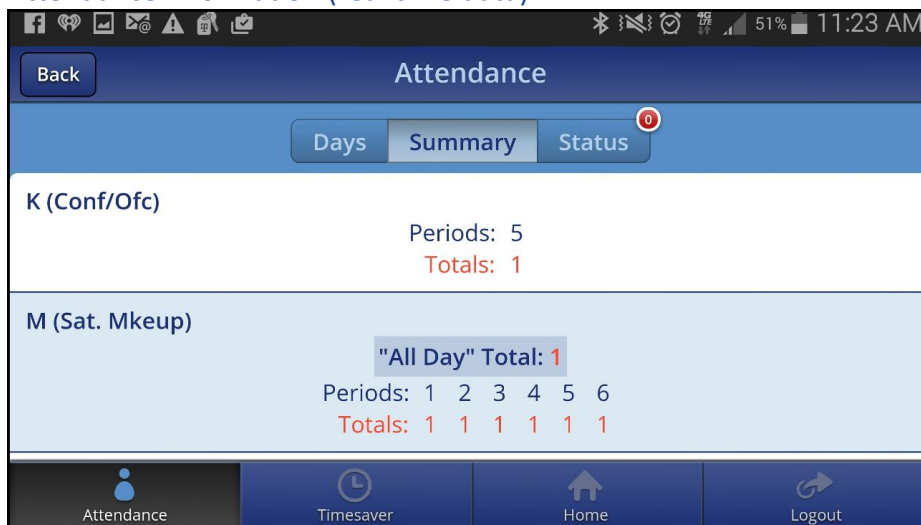

2a.   Certain mobile devices may not display the home screen right away, for those devices clicking on **Mobile Portal beta** will display the "**Mobile device Portal Home screen**."

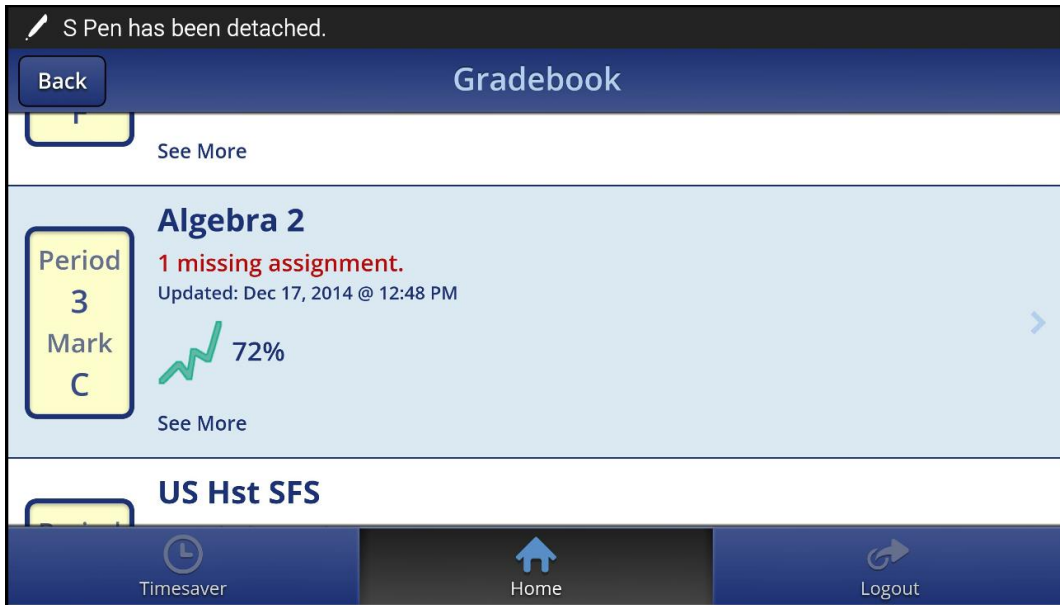

3. Clicking on "**Student Info"** from the home screen, will display data pertaining to the student(s) your portal is currently linked to.

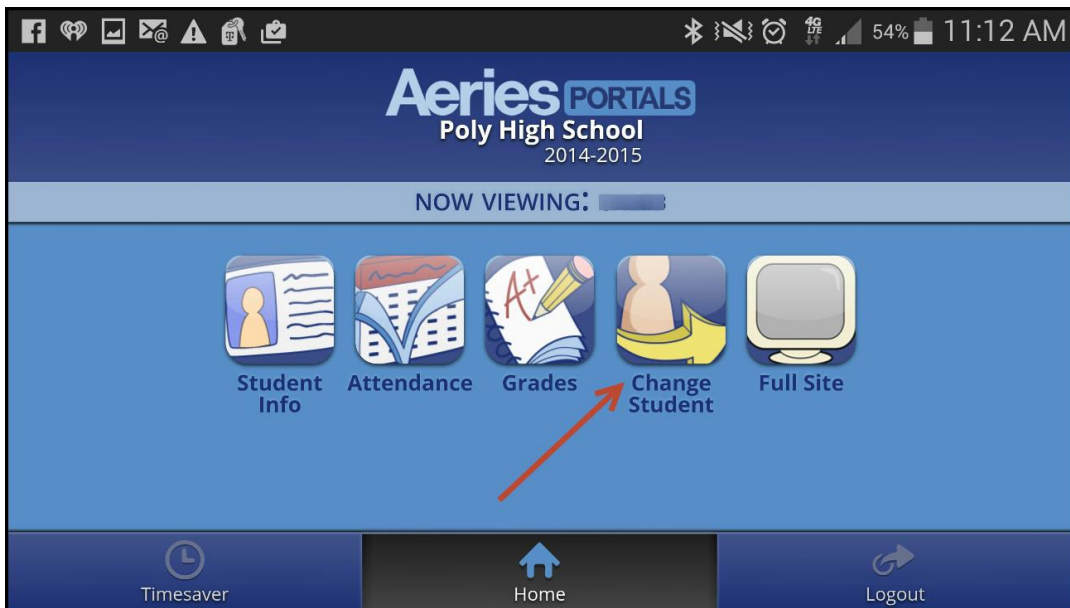

4. Clicking on "**Attendance"** from the home screen will display up to the minute Attendance information (real time data)

5. Clicking on "**Grades**" from the home screen will display grade data, including individual assignment data from each teacher.

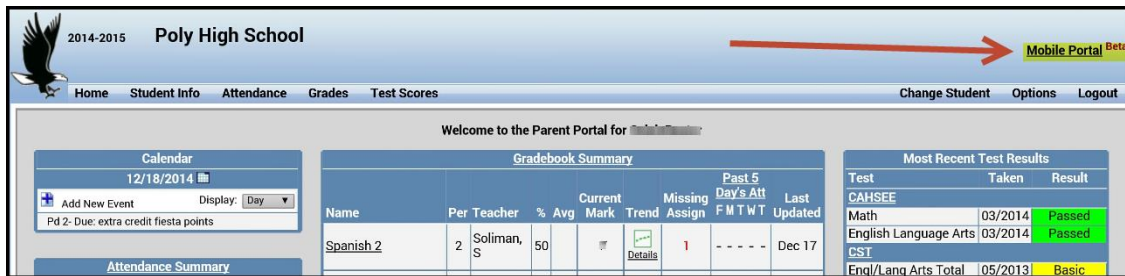

6. Clicking on "**Change Student**" from the Home screen, will allow access to another student that may be already linked to your **.NET Portal** account.

7. Lastly, clicking on "**Full Site**" will exit your **Mobile Portal** session, and will display the same **.NET Portal** interface that is displayed on desktop computers.

7a.   if you have switched over to the desktop interface in the **.NET Portal**, and now want to switch back to the **Mobile Portal** interface, you can do so by clicking in the **Mobile Portal beta** link in the upper right hand of the screen. (as outlined in step 2a in this document)

8. To log out of the application, you can click on **Logout** at the bottom right-hand corner.
